## RECOMMENDED AT-HOME WORK DAYS

HIGH SCHOOL: For each recommended at-home work day, we suggest that high school students plan to spend about 1 hour per class studying and working on assignments.
If a high school student is doing at-home work only 3 days per week, we recommend planning about 1 hour 20 minutes per day for each class.

MIDDLE SCHOOL: For each recommended at-home work day, we suggest that middle school students plan to spend about 45 minutes per class studying and working on assignments.

If a middle school student is doing at-home work only 3 days per week, we recommend planning about 1 hour per day for each class.

The parent is the primary teacher, so it is up to the parent to determine if a student requires more or less at-home work time to be successful in Eluminatus classes, as well as to ensure that the student has adequate resources to study and complete assignments.
