Homeschool Eligibility - Only those students who meet the HSLDA definition of a homeschooler are eligible for ESA membership. This rule states that a student must complete 50% of his/her studies at home under the direct supervision of the parent. Co-op programs, group classes, and even community college courses are acceptable as long as the 50% rule is followed. Students enrolled in public school programs, charter school programs, full-time college programs, or other programs where more than 50% of the school time is spent in the supervision of a school setting or where the public school receives 50% funding for the student's attendance are not eligible for ESA membership.

I certify that my child meets the homeschool requirements to be eligible for consideration in Eta Sigma Alpha National Honor Society as outlined above.
