IN ORDER TO ENSURE ALL TESTS AND TESTING MATERIALS ARRIVE ON TIME, LATE REGISTRATION WILL NOT BE ACCEPTED.

Hello, everyone! I hope your new year is off to a great start! My name is Kate Walker, and I'm coordinating standardized testing for Eagles Nest this year. I look forward to working with you and your family.

The test that we will be using this year is the Iowa Test. If you are interested in finding out more about the test, there are many sources online where you can find detailed information. In addition, you may email me with specific questions at katewalker414@gmail.com.

When completing the registration form, please ensure that all information is legible so that the information I input is accurate. Choose the grade level at which you would like your child tested. It is recommended that you have your child tested at his/her current grade level. However, if your child has special needs or is accelerated, you may choose another grade level. The test is available for grades 2-12. Testing is ONLY for homeschool students. It is not open to public or private school students.

Each parent/teacher whose child participates in testing will be required to assist in some way on testing day. Duties will be assigned based on the number of students participating. You can choose your preferences on the registration form, but I can't guarantee that you will get the one you prefer. I will send out an email in early April with testing details. All communication about testing will be sent via email, so be sure your email address is listed and legible on the registration form.

PAYMENT INFORMATION:

Please place your check and completed registration form in the standardized testing folder at Eluminatus/Bridge, Voyagers, or Explorers. Checks should be payable to Kate Walker. PLEASE DO NOT LEAVE CASH IN THE FOLDERS. If you prefer to mail your registration, please send it to the following address:

Please note that registration forms must be received (not just postmarked) by March 1st.
