

2022 Eagles Nest Prom Protocol

It is our desire to provide a safe and enjoyable Prom evening. Attendees must complete this form before the deadline and buy tickets for Prom. Keep in mind that only students age 14-19 can attend when you are choosing your guests.

Code of Conduct

We want to leave a good impression of Eagles Nest at Christians and as homeschoolers. Please be on your best behavior for the night. Improprieties, such as drinking any alcoholic beverages (before or during), smoking/vaping, cursing, being disrespectful to others, open and blatant public displays of affection, and any type of substance abuse, are not allowed. These things will get you escorted out of prom and your parents will be called.

Music and Dancing

Please be aware that all music played at the Prom will not be Christian music. Most will be secular dance music that is played on the radio. However, adult leadership will review the lyrics to minimize the songs with any offensive language. Attendees are asked to refrain from provocative dancing. The music may be changed to avoid situations, or chaperones may ask individuals, and their guests to leave the dance floor or the Prom altogether.

****Please note that Prom Chaperones have the right to determine if any part of the Prom Protocol is not being followed and make take the steps that they deem appropriate for that situation!!!!**

Dress Code

Gentlemen – Formal: Tuxedo or formal suit with tie or bow-tie, dress shirt, dress pants, dress jacket, dress socks and dress shoes.

Ladies – Formal: Floor length dresses are preferred for the prom but are not required.

Here are some guidelines to be sure your dress is approved:

1. The shortest part of the hem should be no shorter than 2 inches above the knee.
2. Strapless gowns are allowed. However, if you are constantly tugging at the top, you are obviously not comfortable in the dress and should not wear it!!!!
3. Dresses may not have plunging neck lines. No cleavage may show!!!!
4. Very low backs are not allowed. There must be enough fabric for a gentleman to place his hand on your back when dancing with you without touching skin.
5. No 2-piece dresses with skin showing in between the pieces.
6. No cut-outs – even if they have nude fabric in them.
7. Dresses that have skin-colored fabric with lace overlays are acceptable as long as the lace is not placed so that it is obviously covering up “parts”. Make sure the lace coverage is appropriate.
8. Slits can come to 2” above the knee, but no higher.

Dresses can be altered to avoid the issues listed above. All dresses must be approved by Mrs. Odom. Please text a picture of the dress - ON YOUR BODY – front and back and she will text back as soon as possible. If you buy the dress before it is approved, make sure you know the store’s return policy in case something does not pass muster.
